GENERAL ANNOUNCEMENTS

COVID-19 Requirements

Vaccinations. Penn students, faculty, and staff are required to be vaccinated. Students must upload their vaccine record through [Student Health](#). Information regarding current student immunization requirements can be found [here](#).

Masking/Testing. All members of the Penn community and visitors must wear masks while indoors in public or shared spaces. **Vaccinated students are required to participate in screening testing twice per month.** Learn more about student compliance with testing [here](#).

Learning From Address. This is a reminder to add your Local and "Learning from" addresses in [Penn InTouch](#) if you have not already done so. This is especially important if you are working remotely and not coming to campus to participate in the screening testing.

You can add or update your address by logging into [Penn InTouch](#) and going to "Profile, privacy & emergency" then selecting "Address information".

Biotech Commons spaces & support

Are you looking for a study space? The newly renovated [Biotech Commons](#) is now open until midnight Mon-Thurs. Reserve space through this [link](#) and keep up to date via [Twitter](#).

Your library Liaison:

Manuel de la Cruz Gutiérrez, PhD, MLS

Director of Data & Innovation Services at the Biotech Commons

UNIVERSITY OF PENNSYLVANIA LIBRARIES

Philadelphia, PA – [Lenapehoking](#)

215-746-2459

[@MDelaCG](#)

orcid.org/0000-0001-8796-941X

Seeking Website Input! The Penn Libraries is working toward a new website in 2022, and we're seeking input from the students and faculty to help ensure that we will provide the best user experience possible.

Please complete this [brief online study](#)

The study will be open until **October 27th** and will take approximately 10-15 minutes to complete. Input from the study will guide our efforts to best serve the research, teaching, and learning needs of current and future members of the Penn community. Thank you for your participation!

Fall 2021 Graduate Spaces

Looking for a quiet place to study, space to relax and meet up with friends, or rooms to reserve while the Grad Center is closed? This page has information about alternative and temporary spaces available for graduate student use during the Fall 2021 semester: <https://gsc.upenn.edu/Fall2021/spaces>

Roommate Ads & Slack for BGS Students

BGS students are welcome to post their housing and roommate ads in the following [Google doc](#). There is also a channel within the BGS Slack workspace intended for sharing roommate ads, titled **#attn_roommate-ads**.

There is a BGS slack for connecting the various departments and student groups and as a place for questions and discussion. For current students who are not a part of it yet and incoming students, please join with the following link: https://join.slack.com/t/upennbgs/shared_invite/zt-99ajnayf-1mKfg7ic5niiE1u3ksyl5g

Graduate & Professional Student Emergency Fund

The Office of the Provost has provided over \$70,000 to the VPUL Emergency Fund specifically dedicated for graduate and professional student urgent and unanticipated needs. Students facing emergency financial hardships can learn more at gsc.upenn.edu/grad-emergency-grant.

Counseling and Wellness

[Counseling and Psychological Services](#) has a variety of virtual options and some in-person options. Call 215-898-7021 anytime (24/7) to make an appointment or talk with a licensed counselor.

On campus appointments are available 9am-5pm Monday-Friday. Virtual appointments are available Mon-Thurs, 9am-6pm, Fri, 9am-5pm, and Saturday, 10am-2pm. Press 2 to make an in-person or virtual appointment. You may also use [Let's Talk](#) virtual hours: <https://caps.wellness.upenn.edu/ltplohours/>
Use 215-898-7021, press 2, to schedule a Let's Talk session.

Dr. Tiffany Brown is the embedded CAPS counselor for BGS. You may schedule appointments with her directly [nicoobr@upenn.edu] or by calling 215-898-7021 (press 2). You may also arrange to work with other CAPS counselors by calling the main CAPS number.

See [Student Group Events/Resources](#) below for information general body meeting and training session on **November 28th** of the [Peer Support Network](#).

UPCOMING EVENTS

The LabArchives Virtual User Group Event for Researchers and the Research Edition Bootcamp! October 25 – 29

This is a great opportunity to hear from other institutions that use LabArchives and learn more about various tools available. If you'd like to attend you can register for the sessions at the link below.

<https://www.labarchives.com/2021/10/07/virtual-user-group/>

Upcoming Symposium: Understanding COVID-19 and Addressing Disparities in Care

Please see the [attached flier](#) for the Coronavirus symposium "Understanding COVID-19 and Addressing Disparities in Care". The symposium will be both virtual and in person, **November 2 from 1 to 5PM ET**. Topics to be covered will range from viral evolution and human variation to delivery of care and vaccine hesitancy.

CTL Workshop: Fostering Active Learning in the Science Classroom

Tues, November 9th, 5-6pm

Dr. Kurt Engleka (Cell and Developmental Biology, Course Director of BIOM 600) and Marisa Egan (CTL Graduate Fellow, Cell and Molecular Biology) will lead a discussion on how to foster active learning in the science classroom.

Johnson Pavilion Room 209

Please register for this workshop here: <https://www.ctl.upenn.edu/event/fostering-active-learning-science-classroom>

If you have any topic suggestions that you would like to see in a workshop, please let Marisa Egan know! Additionally, if you have any questions about the workshops or the CTL Teaching Certificate, please email: Marisa.Egan@penmedicine.upenn.edu

CBI Fall Symposium

The Fellows of the Chemistry-Biology Interface Training Grant would like to invite you to join us for our **2021 Chemistry-Biology Interface Fall Symposium on Friday, November 17th from 10am-1:30pm**, which will be held **virtually over zoom**. We are accepting abstract submissions for short (15 min) oral presentations until November 1st. Talks may cover *any topic* within Chemistry and Biology, you will also receive a CBI t-shirt if you participate!

Our keynote speakers this year are **Ambika Bhagi-Damodaran (U Minnesota)** and **Amy Andreotti (Iowa State)**.

Please register using the following link: <https://forms.gle/HWEr3Jq3WTYa2QHq5>.

You can visit our CBI website (<https://www.med.upenn.edu/cbit32/>) for information on past symposia.

THESIS DEFENSES

Nov 3, 1pm (251 BRB OR via [BlueJeans](#)): **Karina Chaudhari** (CAMB), Greg Bashaw, Mentor, **"Investigating the role of Wave regulatory complex as a direct downstream effector of axon guidance receptors."**

CAREER DEVELOPMENT

Events this Week

- Oct. 28, 12 – 2 PM ([Register](#)): The **2nd PSPDG Science Communication Workshop, “Data Visualization,”** is designed to help you improve your data visualization and poster design! How can we make our visuals convey our point better? How do we design posters effectively to impress at conferences? Join Professor Steven Geoffrey as he leads us through a workshop focused on understanding and then integrating visual design principles into figures, visualizations, and posters. Please be advised that this is an interactive workshop, and participants should bring a graphic or figure of their own design for critique / improvement during the course of the session. This workshop is the second in a series of 7 to be offered by PSPDG throughout this academic year. Participants that complete 5 of 7 workshops will be awarded a Science Communication Certificate that can be added to a Resume or CV

Upcoming Events

- Nov. 1 – 4: **NIH Virtual Seminar on Program Funding and Grants Administration.** If you are an administrator, researcher, early-stage investigator, graduate student, or anyone new to working with the NIH grants process...then this seminar is designed specifically for you. Register [here](#).
- Nov. 5 - 1-4pm (CRB Auditorium or [Zoom](#)): **Kaushal Family Award Presentations.** The Genetics Department is pleased to recognize **Kamen Simeonov** (Lengner Lab), "Single-cell lineage tracing of metastatic cancer reveals selection of hybrid EMT states" and **Tingfang Chen** (D. Epstein lab), "Cochlear supporting cells require GAS2 for cytoskeletal architecture and hearing" as recipients of the 2021 Kaushal Family Awards, which highlight excellence in genetic research through publication by a graduate student and a postdoctoral fellow. Please join us virtually or in person for a special award ceremony with presentations by the recipients.

CHOP Gateway to Pediatric Research

Nov. 17 - 11:00 a.m. to 4:30 p.m

[Register Here](#)

Children’s Hospital of Philadelphia (CHOP) Research Institute is pleased to announce the [Gateway to Pediatric Research Program](#), a one-day event taking place virtually on **November 17, 2021**.

The goal of this event is to introduce CHOP research to promising senior graduate students and junior postdoctoral fellows from different backgrounds, races, ethnic groups, life experiences, research experiences and employment backgrounds. Those interested in exploring research opportunities at one of the top ranked US children’s hospitals are encouraged to apply. **Registration will close on November 2, 2021.**

Provost’s Postdoctoral Fellowships for Academic Diversity – November 15 Deadline

Email: vpr-pdfellow@pobox.upenn.edu

Application Deadline: November 15

- **Provost’s Postdoctoral Fellowships for Academic Diversity at the University of Pennsylvania**
- **Children’s Hospital of Philadelphia Fellowships for Academic Diversity**

The Provost's Postdoctoral Fellowships and CHOP's Postdoctoral Fellowships are competitive programs intended to increase the diversity of the academic research community at the University of Pennsylvania and Children's Hospital of Philadelphia (CHOP). While the Penn and CHOP programs have a common application form, they are independently funded and have separate review processes. Learn more here: <https://research.upenn.edu/postdocs-and-students/penn-provosts-postdoctoral-fellowships/> and here: <https://almanac.upenn.edu/articles/provosts-postdoctoral-fellowships-deadline-november-15>

2021 Penn Healthcare Case Competition

Applications are open! More information can be found [here on our website](#).

Are you a life scientist interested in consulting, business, or entrepreneurship? Do you wonder how game changing decisions are made about our innovative discoveries once they leave the lab?

Penn Biotech Group (PBG) and **Penn Graduate Consulting Club (PGCC)** will be hosting our second annual Penn Healthcare Case Competition on **November 13, 2021**. This event will provide graduate students and postdocs the exciting opportunity to solve a real-world healthcare problem in teams of 4-6 members, with up to 2 MBA students per team. You will also be able to meet and engage with corporate leaders from top-tier healthcare, biotechnology, consulting, and venture capital firms who will serve as judges. All graduate students and postdocs are welcome to apply. No prior business experience is necessary. Cash prizes will be given to the top three teams, with the first-place team receiving \$4,000!

Please submit the [Interest & Networking Coffee Chat Registration Form](#), if you are interested in participating. Registering for our Coffee Chat sessions gives you the opportunity to meet other participants who are looking for team members. We will then contact you with more details regarding the Case Competition.

If you have any questions, please contact us at pennhealthcarecc2021@gmail.com.

Career Development Resources for BGS Students

BGS maintains a number of career development resources, including a career blog and calendar of events, career path videos featuring alumni, and more. See [this page](#) for a summary of resources within BGS and across Penn's campus.

International Open Access Week 2021

The Penn Libraries are proudly taking part in [International Open Access Week 2021](#), **October 25-31, 2021**. This global event allows the academic and research community to learn about the potential benefits of Open Access and share what they've learned with colleagues. The Penn Libraries will recognize it virtually with two workshops and two panels.

The workshops will provide practical information and hands-on guidance. Scholars will learn how they can highlight their work and easily network and share ideas with colleagues across institutions through participation in open academic profile, sharing, and preprint platforms. In turn, the panels will bring the Penn Community into direct conversation with publishers, journal editors, and other Penn scholars who have chosen to publish, distribute, and/or share their work through open access publishing venues. The panels and workshops include:

October 26, 1pm-2pm. *Workshop. Introduction to Online Academic Profile Services* with Manuel de La Cruz Gutierrez.

October 27, 11am-2pm. *Workshop. Raising the Visibility of your Scholarship through Sharing and Preprint Platforms* with Nicky Agate and Rebecca Stuhr.

October 27, 4pm-5:30pm. Panel. *Navigating the Sea Change: Editors and Publishers Explore Open Access.* Join editors and publishers of established and emerging open access journals and books as they share how they decided to move their publications to an open access model.

October 28, 10am-11am. Panel. *Make Waves and Open Doors: Penn Scholars Explore Open Access Publishing.* Have you considered publishing your work through open access platforms? Would you like to learn more about your publishing options and what open access can offer? Join us in conversation with Penn faculty members in the Humanities, Social Sciences, and STEM who have published in both open access and subscription-based platforms.

The full list of events with program descriptions and links to register can be found at this link on LibCal: [International Open Access Week 2021 Events, Registration, and Descriptions.](#)

NHGRI Predoctoral to Postdoctoral Transition Award for a Diverse Genomics Workforce (F99/K00)

Application Due Date: December 8, 2021

This two-phased award will facilitate completion of a doctoral dissertation (F99) and transition to a strong postdoctoral research position (K00) focused on the scientific, medical, ethical, social and/or legal areas of genomics research.

<https://grants.nih.gov/grants/guide/pa-files/PAR-21-143.html>

Regeneron's Postdoc Program

Application Due Date: December 1, 2021

The Regeneron Postdoctoral Training Program is now accepting applications:

<https://www.regeneron.com/postdoctoral-training-program>

IBSA Foundation for scientific research – Fellowships 2021 Call

Application Deadline: December 31, 2021

Applications are open for the 9th edition of the [IBSA Foundation Fellowships 2021 Call](#) that awards 6 fellowships of € 30,000/each (one additional fellowship compared to the previous edition) to young researchers under the age of 40, from Universities and Research Institutes around the world, who have distinguished themselves for their skills and have ongoing projects of particular relevance in the following research areas:

- dermatology
- endocrinology
- fertility/urology
- orthopaedics/pain medicine/rheumatology

and the 2021 special edition

- regenerative medicine

Please find more information about the Call on the IBSA Foundation's [website](#).
